

Please complete the following **safety training**:

-Liquid Nitrogen Safety training.

1. <https://learningcenter.ucsfmedicalcenter.org/default.aspx>
2. login using your **UCSF** id #
3. scroll down and click Environment, Safety and **Emergency Management**
4. go to page#3
5. click Liquid Nitrogen Safety
6. click Start
7. have fun! and good luck in the final quiz.

-Blood Borne Pathogen training

1. <https://learningcenter.ucsfmedicalcenter.org/default.aspx>
2. login using your **UCSF** id #
3. scroll down and click Environment, Safety and Emergency Management
4. go to page#1
5. click Liquid Blood Borne Pathogen
6. click Start
7. have fun! and good luck in the final quiz.

-Biosafety training

1. <https://learningcenter.ucsfmedicalcenter.org/default.aspx>
2. login using your **UCSF** id #
3. scroll down and click Environment, Safety and Emergency Management

- 4.go to page#1
- 5.click Liquid Biosafety
- 6.click Start
- 7.have fun! and good luck in the final quiz.

-Lab Safety for researches

- 1.<https://learningcenter.ucsfmedicalcenter.org/default.aspx>
- 2.login using your UCSF id #
- 3.scroll down and click Environment,Safety and Emergency Management
- 4.go to page#3
- 5.click Laboratory safety for research
- 6.click Start
- 7.have fun! and good luck in the final quiz.
